- Uses tone signal with adjustable volume control
- Two alligator clips, RJ12 Modular cable, RJ45 Jack and a Female coaxial connector included

Technical Specifications

Cable Tracer

Toner	:	Hi Alternating 500-781 Hz
Frequency	:	Lo Alternating 446-657 Hz
Talk Battery	:	9V into a 600 Ohms Circuit
Voltage Protection	:	50VDC or 24 VAC
Battery	:	9V DC standard or alkaline
Size	:	125 x 68 x 26 mm
Weight	:	20 Grams

Phone : 080-48514828 / 23391755 | Email: sales@3c3.in | www.3c3.in

Cable Tracer and Toner

Toner

Gain	: 30db
Tip Resistance	: 30 ohms (plastic tip)
Size	: 210 x 40 x 28mm
Weight	: 140 Grams
Operating Temperature	: 0°C to 40°C
