

Fiber Kevlar Yarn Cutter

Fiber Kevlar Yarn Cutter is lightweight and ideal for cutting Kevlar® strength members found in Indoor, Indoor/Outdoor fiber optic cable construction. Its ergonomic molded handles provide comfort for both right and left handed users and the one micro-serrated blade reduces slippage for more positive cutting action.

Features

- Blades made from high carbon molybdenum and vanadium steel for long life
- Weight is 79g
- Length is 5.5inch (140mm)
- Ergonomic molded handles provide comfort for both right and left handed users
- One micro-serrated blade reduces slippage for more positive cutting action
- Covered under 3C3® Standard Product Warranty
