

Fiber Patch Panel 19" 2-Cutout 1U Unloaded

The Fiber Panels are designed with 2 cutouts to mount adapter plate assemblies. With the special sliding design, this panel allows easy access during installation or rework without disturbing previously terminated fiber cable. This also offers multiple cable entries to provide various customized solutions as per the customers' requirement.

Features

- Standard 19-inch Rack Mountable
- Innovative and robust design
- Unique slide design, structural stability, easy to use and operate, slides smoothly without interference.
